RENAULTSPORT SILVERSTONE GP LIMITED EDITIONS

DRIVE THE CHANGE

RENAULTSPORT SILVERSTONE GP LIMITED EDITION

The home of British motorsport. The benchmark for hot hatchbacks. Renaultsport Silverstone is a match made in heaven....

Form and function

The Renaultsport Silverstone GP limited editions are made to grace the Silverstone tarmac. Sitting on a lowered Cup Chassis, their striking combination of silver and black paintwork makes them a purposeful pair of pocket rockets.

There's substance behind the style, too. With a full Renaultsport stainless steel exhaust system as standard on Twingo Silverstone GP 133, there's a gruff soundtrack to match its stunning exterior. Meanwhile, Renaultsport Recaro front seats ensure drivers of the Clio Silverstone GP 200 are held firmly in place as they exploit its precision handling.

Explore its limits...on the track for which it's born

Lucky buyers of a new Silverstone GP limited edition will receive a free Renaultsport Trackday Experience at Silverstone, usually worth £175, where you'll be able to take the wheel alongside a fully-qualified instructor. This is a fantastic opportunity to feel these cars' potential, in a safe environment, with expert tuition.

With 17" black alloy wheels and Cup Chassis, with lower ride height and stiffened springs and dampers as standard, you're sure to be quick through the bends. The Renaultsport Monitor onboard performance tracking system will tell you how you're doing, too – using F1 technology, it provides automatic feedback on g-force, lap times and acceleration times.

If you want one, you'll have to be quick. There are just 50 Twingo and Clio Renaultsport Silverstone GP vehicles being built, each with its own unique numbered interior plaque. In true Renaultsport style, they're bound to go fast.

PRODUCT FEATURES

TWINGO RENAULTSPORT 200 SILVERSTONE GP

EXTERIOR STYLING

- 17" gloss black alloy wheels
- Black headlight surrounds
- Extended sills
- Extended wheel arches
- Extra-tinted rear windows and tailgate
