## Smiths of Ilkeston Service Plan

### The easy way to take care of your vehicle

Our Service Plan is designed to offer you hassle-free motoring and an easy way to budget for all your servicing needs. Tailored to your individual needs, you can choose which plan suits you best and can spread the cost of regular servicing through simple monthly instalments, just like household bills.

### Tailor-made

We will give you an individual quote to suit your needs based on your car's service schedule, your average mileage and how many years you want the Service Plan to cover.

Plus, you can take out a Service Plan at any time of vehicle ownership. And if you decide to sell your vehicle before the end of the term of the plan, you can easily transfer it to your new vehicle.

### What's included?

The Service Plan covers the complete cost of your standard servicing, including parts and labour, with the exception of normal wear and tear parts such as tyres, brake pads and windscreen wipers etc.

### No hidden costs

You can spread the cost with easy monthly payments with no interest to pay - so you won't have to face an inconvenient bill. (If you prefer, you can pay in one lump sum or add the cost to your finance agreement.)

So, not only will you be able to budget easily for the cost of servicing, you could also save money. The servicing costs of your vehicle are frozen on the day you sign up, so you don't need to worry about price rises during the term of your Service Plan.

### Quality service

Your vehicle will be maintained and serviced by our professionally trained technicians. And what's more, we'll stamp your service book with our main dealer stamp, helping to maximise your vehicles resale value.

[Request a quote](#)

Service plans can be transferred to another vehicle at no cost, however cancellation incurs an administration fee; please ask for details. Payments and refunds will be calculated accordingly. Full terms and conditions are on the reverse of the Service Plan Contract and are also available on request\*

Please refer to your Vehicle Service Manual for information on your vehicles specific schedule. Service Plan cannot be used in conjunction with any other Smiths Motor Group service promotion.
